

SILVA CELL 2 CONSTRUCTION DEPTHS

This drawing shall be used in conjunction with Silva Cell Details and Specifications.
The information contained in this drawing is not to scale.
Aggregate sub-base and paving profile will vary by project.

*Thickness will vary by project.

This drawing is provided for general education and informational purposes only and does not constitute an endorsement, approval or recommendation of any kind. The actual suitability and applicability of this information for a given use depends upon a wide variety of considerations, including specific project specifications, over which DeepRoot® has no information or control. This drawing should NOT be used as a basis for volume calculations that are site specific and vary greatly depending on cell spacing, soil conditions and soil compaction. All DeepRoot® Silva Cell products are sold with the understanding that the purchaser, either individually or in consultation

with purchaser's design professionals, has independently determined the suitability of each product for the application for which it is purchased. Except as expressly provided, DeepRoot® disclaims all warranties, express or implied, and strongly encourages the reader to consult with a construction/design professional and/or engineer before applying any of this information to a specific use or purpose.

For design, construction, and installation resources, visit www.deeproot.com.

NOTES:

1. Installation to be completed in accordance with manufacturer's specifications
2. Do not scale drawings
3. Disclaimer: conditions that vary from drawings must be evaluated by a qualified Engineer and appropriate adjustments made
